

cleanup of the **Gowanus Canal**

Carroll Street Bridge Update – May 2026

The Gowanus Remediation Team (GRT) has completed the restoration of the Carroll Street Bridge's eastern abutment. This work was performed in coordination with the New York City Department of Transportation (NYC DOT).

The final schedule for reopening the bridge will be determined by NYC DOT. For more information, please contact the NYC DOT Brooklyn Borough Commissioner's Office at (646) 892-1350.

Restoration of the roadway.

Installed traffic gates.

Timber façade.
